FOR IMMEDIATE RELEASE

BIS Office Systems Ranked #1 Copystar Dealer in the State of Alabama

Mobile, Alabama – September 4, 2015 – Business Information Solutions, a notable IT support company along the Gulf Coast, named to CRN’s 2016 Managed Service Provider 500 list as a Pioneer 250 MSP. As an MSP Pioneer 250 company, BIS has This annual list recognizes the top technology providers and consultants in North America whose cutting-edge approach to managed services puts end-user customers in the best position to improve efficiencies, cut costs and speed time to market for their own products and services.

MSP Pioneer 250 – whose business model is heavily weight toward managed services focused on SMBs

“This is a big achievement for our company,” said Colvin. “I’m extremely proud of my team for all their hard work to get us to the top. Now that we’re there, we fully intend to stay at number one!”

In order to achieve the number one ranking, the sales team at BIS Office System had to sale and distribute more Copystar products and services than any other dealer in the state.
