**BUSINESS INFORMATION SOLUTIONS NAMES
MITCH CARLSON NEW CHIEF OPERATING OFFICER**

Robertsdale, AL (January 27, 2021) - Business Information Solutions (BIS), a leading IT Support Provider specializing in comprehensive IT solutions for businesses across the Gulf Coast, is thrilled to announce Mitch Carlson as its new Chief Operating Officer (COO). In this role, Carlson will be responsible for supporting CEO Philip Long in executing a new strategy and vision for the company by developing and overseeing its day-to-day operations.

Carlson, a skilled IT professional and retired U.S. Navy veteran, joins BIS with over 30 years of experience in the IT industry. He has held multiple roles in operational leadership, including IT Director of an overseas communications facility and IT Manager for a Network Operations Center. Through his prior positions, Carlson has developed skills in Project Management, Network Accreditation, Design and Installation, Contract Negotiations, and Personnel and Material Management.

“Mitch’s wealth of industry experience makes him an outstanding fit for our future vision,” said Philip Long, CEO of BIS. “His diverse skills make him uniquely qualified to lead BIS into a future built on innovative technologies and operational excellence.”

“When I learned about Philip’s vision for the company, I knew I had to be part of it,” says Carlson. “I’m excited to help BIS stand out as a Managed Services Provider (MSP) in terms of support, innovation, and strategic partnerships, while also getting the chance to guide and mentor our future leaders.”
